

# Valve Core Assortment Kit *Part #0200000001*

## The Valve Core Assortment Kit contains:

- 2 Valve Core Installation Tools
- 100 each 09914117 High Pressure Cores
- 100 each 8081070047 A/C Cores
- 100 each 015660252 Low Opening Pressure Cores
- 100 each 054051000 Standard Air Cores
- 100 each 8080731047 Fuel Cores
- 100 each 8080570047 A/C Cores
- 50 each 8081120047 8mm A/C Cores
- 50 each 8081220047 10mm A/C Cores
- 50 each 8081530070 JRA A/C Cores
- 100 each 045750035 Standard Air Cores
- 100 each 061810020 Fuel Cores
- 100 each 060350002 High Heat Core

Schrader Valve Cores are manufactured in Altavista, Virginia, USA to the most exacting standards using the highest grade materials. Trust Schrader made in USA quality to function better and last longer than foreign made product.

Schrader Valve Cores are used in a variety of applications from air conditioning systems to fuel pumps, water delivery systems to high pressure air tanks.
